MBA Pierce County Announces 2019 Remodeling Excellence Award Winners

TACOMA, Wash. (May 28, 2019) – Master Builders Association Pierce County (MBA Pierce) is proud to announce its 2019 Remodeling Excellence (REX) Award winners. The REX awards program recognizes outstanding remodeling projects throughout Pierce County. Categories included residential exterior remodels, kitchen and bath updates, additions, and entire home transformations, among others. This year, winners received awards in 18 categories.

A judging panel of independent remodeling professionals meticulously reviewed each project before making their selections, making sure each winning project met a set list of high criteria. Some winners were recognized in multiple categories.

The awards were handed out during REX’s 22nd annual reception on May 21 at Tin Can Alley in Tacoma. MBA Pierce’s REX awards are an annual opportunity for members to gain professional recognition for their outstanding work for clients during the year. The awards are open to all MBA Pierce members who have completed a project that meets the requirements of an award category.

The People's Choice Award was opened up to the general public for voting this year for the first time. With over 300 votes counted leading up to the event, the winning project was “Bright Beauty” from the Kitchen \$75,000- \$140,000 category by Kingdom Builders Construction. See below for a list of REX categories and 2019 winners.
